Dear , Friends of OHSET

Thank you for your sponsorship in the past. Our State Championship meet was a great success thanks to the help of donors like you. We had nearly 800 athletes competing at the State Championship in 2023, and we celebrated excellent horsemanship, sportsmanship, and competition. It was great to have all the athletes, coaches, and volunteers back together for the State Championship.

OHSET Started with a Vision and here we are 31 years later. Much has happened since inception. Countless hours and dedication from many have made OHSET the thriving organization it is today. There are now 9 districts, over 146 high schools and hundreds of riders participating each year. Above all, the team camaraderie and relationships built are enough to consider this program a massive success. Not to mention the riders that go on to compete at the collegiate level or pursue a career in the equestrian industry.

We are planning a similar awards structure as in previous years and request your continued support of our program. All 9 Districts around the state are in full swing and planning all their competitions. The athletes are working very hard to compete at the state level and we're looking forward to giving them that opportunity.

I have included details below on how to renew or change your sponsorship. Thank you for your consideration and continued support of our program. Please call or email with any questions you may have.
