### **Central**

School: Mountain View HS

Exception requested to the Mid-Year Transfer rule.

The athlete is transferring to Mountain View from Trinity Lutheran in the middle of the school year, so loses OSAA eligibility for this season under Mid-Year Transfer rule. Athlete lives within the Mountain View school district boundaries

The OHSET eligibility exception is requested to allow her participation with the Mountain View OHSET team this season, after her transfer to Mountain View is completed.

- Transfer is due to bullying issues at Trinity Lutheran
- Mountain View Principal and Athletic Director both support this exception
- Exception request letter received from parent, and also was signed by the Mountain View Principal and Athletic Director

The issue was accompanied by a letter written by the student's father and approved by both the Trinity School Principal and the Mountain View HS Athletic Director. Letter is personal, confidential and private and will be maintained in OHSET's records.
