Note from the State Chair

Thank you for taking the time to join us in the efforts to keep the OHSET program growing.

We are all choosing to work with in this organization to give knowledge to youth that we have gained over the years. As you take part in this clinic, please have the willingness to share your expertise but also learn from others as we work towards consistent quality standards.

Our OHSET athletes work diligently along with their equine to prepare for competition and as a judge, we need to educate, be consistent in scoring, and have constructive comments. Let's set them up for success!

Teresa Hoffman
