Expectations:

- We are looking for the athlete to create a presence that convinces the judge and audience that their horse is the best, and that they have successfully completed every element of the pattern.
- Eye contact with the judge, crisp body communication, and facial expression are important.
- Changes of sides should allow the willingness of the horse to yield to the athlete under any condition.
- Condition of coat, feet, mane, and tail does count in this class. Handler and horse should be neat, clean and well groomed.
- Horse should display no resistance - lead rope and halter should be properly adjusted and appear to not be necessary in the horse's performance.
- Handler should not touch the horse to cue for movements. Athletes touching their horse should not expect a zero for that maneuver, but will be marked down.
- Correct hand positioning should be used to cue for each maneuver.
- Athletes may or may not change hands to back. Either is equally acceptable.
