Expectations: <ul style="list-style-type: none"> Horsemanship knowledge in displaying fundamentals is important. Accuracy, smoothness, and acceptance of obstacles should be points of training. Rythym throughout course is important. Exhibitor should not pet or unnecessarily touch horse while on course. Athlete and equine should create a working team. Movement through and over obstacles should be crisp while allowing the equine to negotiate each step. Leads should be accurate and backing should be precise, but not too slow. Haunch turns, pivots, lateral movements and backing should be smooth with continual movement. Refusals will deduct points. After 2 unsuccessful attempts, riders will be asked to move on. No steps between bridges Judges will be looking for a "finished" equine/athlete combination in this event.
